

## Credco. Even better.

### **First Advantage Credco is now CoreLogic Credco.**

For more than 50 years, Credco has been the premier provider of credit reporting, compliance and identity verification solutions. Now as CoreLogic Credco, we can leverage one of the world's largest consumer and business databases to deliver even more advanced data-driven tools. With these powerful new capabilities, you're better able to assess risk from every angle—and get the dynamic insights you need to improve business performance.

See what the new CoreLogic Credco can do for your dealership.
